## Handbooks

The student/parent handbook with the District's "Code of Conduct" booklet can be found on the district website under each school ([www.mtsinai.k12.ny.us](http://www.mtsinai.k12.ny.us)). It includes important notifications such as the Family Education Rights and Privacy Act. Please review the handbook(s) so that you are fully aware of all the necessary information. If you have any questions, contact your child's building principal.

## Non-Public School Transportation

Non-public school transportation requests must be filed by April 1, 2024 with Mrs. Krulder, Transportation Department at 870-2563.

## Attendance

Regular attendance and punctuality are vital to the educational well-being of each child. Parents are urged to ensure that each child attends school regularly and arrives at school on time.

You are also asked to inform the school if your child is to be absent or late. Parents of Elementary School students should notify the school nurse at **870-2641**. Parents of students in grades 5-8 should call the Middle School Main Office at **870-2725**. Parents of students in grades 9-12 should call the High School Nurse's Office at **870-2822**.

In all instances of absences or tardiness, a note must be forwarded immediately to the homeroom teacher stating the reason.

Do not send your child to school so early that he or she will arrive before the scheduled opening time. We request that children remain at home rather than play in unsupervised areas.

## Attendance Regulations

The State Education Department requires the teacher to keep an accurate record of every student's attendance during regular school hours. Such records must show the true cause of absence. For this reason, all students are required on their return to school to bring written explanations from parents or guardians in every case of absence or tardiness. Please consult the District's Attendance Policy contained in the student handbook for further specifics and your responsibilities in this regard.

**Board of Education meetings are scheduled monthly throughout the year and are listed on the calendar. Meetings dates and locations are also listed on the district website [www.mtsinai.k12.ny.us](http://www.mtsinai.k12.ny.us)**

## Appointments

In order to avoid delay, it is suggested that you make an appointment prior to visiting the school. A note or a phone message to the person you wish to see will ensure your desired meeting. Under ordinary circumstances, you would call either the building principal, a guidance counselor or the school nurse. In most cases, the questions that arise concerning the student can be easily clarified by an early meeting between the parent and teacher. These conferences, of course, are encouraged.

## Inspection of Facilities

In order to maintain a productive learning environment for the students, each year our facilities undergo a number of inspections with the purpose of ensuring the health and safety of the students and the physical integrity of the school buildings. Among the inspections that take place annually are:

- Compliance with fire code regulations
- Fire Alarm testing
- Fire drills
- Evacuation drills
- Fire extinguishers check for pressure and chemicals.
- AED

A structural engineer completes a structural inspection of all the buildings each year, and certified inspectors also complete asbestos inspection. These reports are available through a Freedom of Information request.

## SCHOOL BUS SAFETY TIPS

### While waiting for the bus....

- DRESS CORRECTLY — Wear bright, visible colors, avoid dangling drawstrings or things that could catch.
- BE ON TIME — Leave home early enough to avoid having to hurry.
- STAY OUT OF THE ROAD — Wait in a safe place. Watch for traffic. Stay away from strangers.
- WAIT FOR THE BUS TO COME TO A FULL STOP — Board safely. Don't shove or push. Sit down!

### On the Bus....

- KEEP THE AISLE CLEAR
- KEEP YOUR HANDS INSIDE THE BUS
- LEAVE THE BUS DRIVER ALONE
- STAY IN YOUR SEAT

### Getting Off the Bus....

- WALK AT LEAST 10 STEPS AHEAD OF THE BUS ALONG THE EDGE OF THE ROAD
- WAIT UNTIL THE BUS DRIVER SIGNALS YOU TO CROSS
- TELL THE DRIVER IF YOU DROP ANYTHING
- NEVER REACH UNDER THE BUS!

## Community Use of Schools

Building/Field use forms are available at each school office and on the district's website. No group will be permitted to use the facilities without written approval from the District.

## Visitors

To ensure the safety of each student in our care, we insist that all visitors obtain a pass from the school office. There can be no exception. We are certain that you understand our concern and will cooperate with District procedures.

## Emergency School Closings — Stay Informed with *School Messenger*

We believe that keeping you informed about your child's whereabouts and safety is paramount. To help accomplish this task, the district is using *School Messenger* to provide our families with information about their child and the school. To register for this service, go to our district website ([www.mtsinai.k12.ny.us](http://www.mtsinai.k12.ny.us)) and click on the link for *School Messenger*. Once there, you will be able to choose how and where you receive messages from the schools. We encourage everyone who has not yet registered to log on and do so. If you are already registered, please revisit the site to see the new changes and add/modify additional phone numbers and other forms of contact.

Information can also be heard on one of the following radio/TV stations:

WALK—FM 97.5  
WBLL—FM 106.1  
Cablevision News 12

## Delayed School Openings

On very rare occurrences we may have a two hour delayed opening. Should this be necessary, we will make the announcement on our School Messenger Service as well as the radio and News12. All students will be picked up two hours after their normal pickup time. Please refer to your child's building procedures as to the day's subsequent schedule.

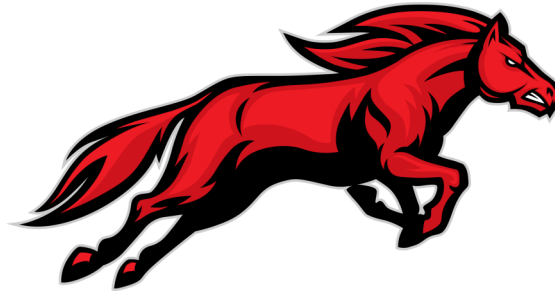

## Emergency Closing After the Start of School

If emergency weather conditions or other emergency situations should develop after school is in session and open for the day, an **early dismissal** will be announced and all students will be dismissed early so that they can arrive home safely on the buses. All after-school student-related activities would be cancelled for that day. Based on the day's possible weather reports and weather conditions, parents/guardians should anticipate an early dismissal possibility and wait for a School Messenger alert with specific details.

Parents/guardians should arrange to be home, or to have a safe place to which children can go until parents/guardians can return home. Should an early dismissal become necessary, the Mt. Sinai High School students will be dismissed before the elementary school children. This should allow older students to be at home when the younger children arrive. Parents should develop a plan with their child(ren) in the event they are not home when he/she returns home.

## Asbestos Management Plan

In accordance with 40 CFR §763.84.c, regard this statement as the district's annual notification to all workers, students and or their legal guardians that the district continues to maintain its Asbestos Management Plan (AMP) which documents all performed or planned asbestos related inspections, response actions, and post-response action activities, including periodic reinspection and surveillance activities within the school district. A copy of this AMP is available for your review and or inspection at the district's facilities office and the main office of each school building.

## Dress Code

As a school community, we must accept the fact that social demands and activities will determine our mode of dress. Our student councils, the faculty, and the administration are of the opinion that if we are to maintain a good educational atmosphere in our schools, there must be a reasonable standard of acceptable dress.

In keeping with this objective, the school administration will not condone dress or grooming on the part of the student that is detrimental to safety and health or is distracting or disruptive to learning.

We recognize that parents have the basic responsibility for appropriate dress and grooming, and as such, their aid is earnestly solicited in helping to create a favorable "dress appearance" among the students of our school district. The administration expects, therefore, that students dress in a manner consistent with the District's Code of Conduct located on the district's website.

## No Smoking Policy

In accordance with Suffolk County and Town of Brookhaven laws, the Mt. Sinai School District prohibits smoking on any school property owned and/or operated by the School District. This prohibition extends to all students, employees and visitors. Further, this prohibition includes all school buses as well as all school-sponsored activities. Violation of the ordinance is punishable by fine.

## School Breakfast/Lunch

School lunches are available in the elementary school, middle school and the high school. In addition, milk and snack items may be purchased at all schools.

Pupils may be provided free or reduced price breakfast/lunches when family circumstances require it. Required application forms will be sent home in September and are also available in each building. Students can pay cash, check or open up an online payment account through [myschoolbucks.com](http://myschoolbucks.com)
