May 15, 2023

Dear Parents/Guardians of Eighth Grade Students:

The end of the school year is fast approaching and I would like to take this opportunity to provide information regarding our plans to celebrate the milestone of our eighth-grade students completion of Middle School with a Class Day, Moving Up Ceremony, and a Dance.

The Class Day will occur within the regular school day on Wednesday, June 14, 2023 and is sponsored by the Student Council advisors and club. This is the last full day of school prior to finals and Regents Exams. It will include a catered lunch, yearbook distribution and signing. Information will be passed to the students through homeroom announcements.

We would like to keep the tradition of having the Moving Up Ceremony as an outdoor event on the south lawn of the Middle School, that started when Covid first hampered indoor gatherings. It has been a huge success due to the fact that it allows many more guests and relatives to attend, as we are not limited in seating by the capacity of an auditorium. The Moving Up Dance will take place later that evening in the Middle School Cafeteria and the Student Council is already making plans for food and a disc jockey to provide music for their enjoyment.

The Moving Up Ceremony will take place as noted below:

Wednesday, June 21, 2023 from 11:00 am – 12:00 pm

The Moving Up Dance will take place as noted below:

Wednesday, June 21, 2023 from 6:30 pm – 9:30 pm

Since this is an outdoor ceremony, it may be hotter than if we were in an air-conditioned auditorium. Students should dress appropriately, but in accordance with the Code of Conduct (neat and clean shorts and collared shirts for boys; appropriate length skirt/dresses and not strapless tops or undergarments showing for girls).

On behalf of the Middle School staff, we wish them continued success as they move on to the High School.

Sincerely,

Elizabeth E. Hine
Principal
